Address:

Gainesville/Starke, Waldo

Price:

1100.00 \$

This is a Pride Mobility Products Outlander Full Platform Exterior Lift that was manufactured in 2011. The lift is fully functional, and has barely been used so it has maintained a new condition. If you are interested we can email you the spec sheet for the 2016 version of this same lift directly from the manufacturer. There are some slight differences but the lift is mostly the same. This unit has an extended swing arm that allows you to load the chair from the side of the vehicle for easier convenience. Lift is meant to attach to Reese hitch on back of vehicle. Item retails for new at around \$3000. Seller will not ship, lift will have to be picked up from seller's home. It is worth the drive to save the money on this lift!
